About the country:
- Portugal, a country with a rich history of seafaring and discovery, looks out from the Iberian Peninsula onto Atlantic Ocean.
- Portugal is a developed country with an advanced economy, high living standards and high quality infrastructures with a population of approx 10 million, ranking 2nd in the quality of the road network and 11th overall, according to the Global competitiveness report.
- It is one of the world’s most globalized, peaceful nations. Also a member of United Nations, European Union, Eurozone, NATO & Schengen Area.
- The capital City is Lisbon, one of the oldest and the largest cities in the Europe.
- Portugal is one of the best living destinations in Europe.
- High quality of education but low living expenses when compared to countries like Germany/France/UK.
- Job opportunities very high because of close relation for business with Germany/France/Spain.

* Part time job options.
* Stay back options.

University
- UPT – Oporto Global University, is a private higher education institution, ISO 9001 certified, recognized by the Portuguese Government and the Portuguese Agency for Assessment and Accreditation of Higher Education - A3ES. UPT’s Research unit, JIR, is certified by the Portuguese funding agency for research, FCT.
- UPT is organized in four Departments: Law, Economics, Management and Informatics, Heritage and Tourism and Psychology and Education that teach 1st, 2nd and 3rd cycle programmes and post graduations, structured according to the Bologna Process.
- Students will receive master degree when they complete 1st Year, after completion of 2nd year student will get M.Phil degree. Students are eligible for direct Ph.d admission as they receive M.Phil degree which is validated & recognized by Government of Portugal & UPT.
- UPT – Oporto Global University located in Oporto, known as the ‘Cidade Invicta’ (Undefeated City), Oporto gave Portugal its name.
- UPT aims to be a model in higher education, taking the advantages of the different departments’ synergies. More than acquiring theoretical knowledge, the students have the chance to develop practical work and research projects, developing different kinds of skills that prepare them for jobs in future career and for living in a competitive global society.
- IELTS is not required.
